

**Pippin the Bear  
Goes to Preschool**

**This is Pippin the Bear.  
Today is his first day at preschool.  
Shall we go with him?**

**Oh look! Pippin has arrived at Pippins Preschool.  
Time to go inside the gate Pippin.**

**Pippin says goodbye to his grown-up and walks up the ramp into preschool.  
Are you excited for your first day Pippin?**

**Pippin has his own peg to hang up his coat.**

**Pippin goes into the Green Room to put his name on the registration board.**

**Have you spotted your name Pippin?**

Now it's time to play. Hooray!  
Wow, look at all the fun things to do!  
What should Pippin play with first?

Now it's time to stop for something to eat. Pippin washes his hands and sits at a table with other preschool children. All the children eat together.

After eating, Pippin goes outside into the back garden. There is so much to explore! He likes making mucky recipes in the mud kitchen and floating boats down the water tubes. What do you like best?

**Uh oh, Pippin needs a wee!  
Are you going to use the potty or the big toilet Pippin?  
Don't forget to wash your hands!**

**Now Pippin wants to play in the front playground.  
There are lots of bikes and cars to ride on and a slide.  
'Wheee!' says Pippin.**

It's almost time to go home! Pippin helps tidy up the playroom, then he listens to a story and joins in with some singing. What's your favourite song to sing?

**Preschool is finished now. Pippin can't wait to tell his grown-up all about his fun day!**  
**What was your favourite thing about preschool?**
